

Warning: LifeCare Residences ‘exhibition’, Thu 16 and Sat 18 March

LifeCare Residences have informed us that they will explain their proposals to turn Gondar Gardens reservoir into luxury retirement homes and “a nursing home”, on

Thursday 16th March, 7pm-9pm
and Saturday 18th March, 2.00pm to 5.00pm
at

Emmanuel Church, Lyncroft Gardens, London NW6 1JU

Ironically, this is the same venue that Linden Wates used to showcase their short-lived proposal to fill the site with 79 flats, which they quietly dropped after much vocal outrage.

As always, we can expect to be shown lots of pretty but very alarming pictures. LifeCare’s leaflet about their event is attached, or see it [here](#).

At the event, don’t be trapped into answering trivial questions about whether retired people would generate more or less traffic than ‘normal’ people, just focus on telling LifeCare what you think of their plan to turn a protected Open Space and Site of Nature Conservation Importance into luxury homes.
